

Save time with repeat orders (food orders only)

Did you know that you can save time by copying food orders from a previous week within the calendar view? This is a handy way to save time and quickly re-order your child's favourite lunch orders. Simply:

- 1 Sign in to your *Qkr!*™ account and Tap on 'Canteen'
- 2 Tap on the downward arrow icon to the right of the calendar screen. You will be asked if you wish to copy your orders from the previous week to the current week
- 3 Tap 'Yes'
- 4 Once you have copied last week's orders to your cart, you can make edits by tapping on a particular date. This allows you the flexibility to amend your copied order for a particular day or for a specific child
