When a Child is Born

A ray of hope flickers in the sky,  
a tiny star lights up way up high,  
all across the land dawns a brand-new morn,  
this comes to pass when a child is born.

A silent wish sails the seven seas,  
the winds of change whisper in the trees,  
and the walls of doubt crumble tossed and torn,  
this comes to pass when a child is born.

A rosy dawn settles all around,  
you got the feeling, you’re on solid ground,  
for spell or two no-one seems forlorn,  
this comes to pass when a child is born.

It’s all a dream and illusion now,  
it must come true, sometime soon somehow,  
all across the land dawns a brand-new morn,  
this comes to pass when a child is born.

Anon.

Every parent knows the feeling. When a child is born, the world stands still. The problems and worries that beset us in our everyday lives shrink away and vanish and the wonder of creation, the endless possibilities, the promise and hope of new life breaks like dawn over the earth.

That such an everyday occurrence should be at once so beautiful and so spiritual, (not to mention noisy, painful and traumatic also!) and should be something that doesn’t lose its uniqueness and importance despite the countless millions of births, is so remarkable, so miraculous.

At Christmas, when the great redeemer was himself a child, we celebrate children and we rejoice in new life. As we come to the end of something, we return to the beginning. Christmas is a time for the pure joy of new life and the celebration of God among us.

Christmas is the sign to us of the ultimate love of God and the challenge to us as Christians to bring that love and peace to the world. Dare we dream of a world where peace, joy and goodwill to all is the reality for all time?

At this joyous time and on behalf of all in our community, I wish you and your family every happiness and blessing this Christmas.
**The Year in Focus**

2010 has been a very important year for Sacred Heart College. The introduction of the whole-school Literacy program has been a very successful initiative, building critical literacy skills across the College. We continued our work on the introduction of the Australian Curriculum and we are presently in the midst of the largest building and capital development program in the College's history. We are continuing to have a major focus on teaching and learning and building on a culture of outstanding pastoral care in the College.

We reformed the Student Leadership Team and sharpened its focus to Christian outreach, social justice and service to the community.

We will move to three day Kindergartens in 2011 (in a brand new Early Learning Centre). We have a wide variety of subject choices for students in Grades 9 and 10 and the depth and variety within our curriculum continues to improve. This year was a very successful one for the Arts with outstanding Music performances for both primary and secondary, Visual Arts exhibitions and the staging of major drama productions for all secondary year groups, the highlight being the staging of the Grade 9/10 production, Between These Lines, at the Peacock Theatre.

The continued implementation of the Information Technology Plan has resulted in major improvements to the IT facilities and resources and the program of implementation of IT across the College. Next year there will be a major focus in the primary school. Professional Development support for staff continued in 2010, involving a wide range of activities.

We had a very successful sporting year for both primary and secondary teams. We were honoured by the selection of Sacred Heart students in National squads and by grand final wins in many sports. State honours were awarded to many students and there were countless outstanding individual and team performances. We offered our widest ever range of sports and had particular success in the SATIS events with outstanding team performances in all carnivals.

Most of all we continue to proudly proclaim our Catholic identity. Our achievements are shallow if we do not live up to the faith, hope and love of our founders and the great Catholic tradition that precedes us. We may have different dimensions and complexities today than Catholic schools of the past, but we have the same commitment to the values of love, peace, truth, justice, compassion and forgiveness.

**Acting Deputy Principal Appointment**

I am pleased to announce that Ms. Jacqui Lawless has been appointed as Acting Deputy Principal at Sacred Heart College (Lenah Valley) commencing in January, 2011. Jacqui is presently Head of Learning Support and Literacy Co-ordinator. I know I speak for all in our community in congratulating Jacqui on her appointment and offering her every best wish as she takes up her role next year.

**Secondary Staff Appointments**

I am pleased to announce the following appointments to Positions of Responsibility for 2011:

- Year 7 Co-ordinator: Ms. Karen Pape
- Year 8 Co-ordinator: Ms. Veronique Boyd
- Year 9 Co-ordinator: Mrs. Maddy Mackey
- Year 10 Co-ordinator: Mr. Matthew Stolp

**Staffing 2011**

I include below a summary of the Staffing changes for 2011:

- Mr. Matthew Stolp, Mrs. Bernadette Burke and Mr. Tom Burke will be taking Long Service Leave during Term 1 of 2011. Ms. Stephanie King will be extending her leave and will be teaching in the UK for 2011.

- Ms. Veronique Boyd and Ms. Donna O'Neill will be taking up replacement positions in the secondary school in 2011. Mr. Romeo Fabrizio will be undertaking a replacement position in the primary school at New Town. Mr. Fabrizio joins us from Sacred Heart School, Geeveston.

- Mr. Tony Brennan joins the staff of the College as Religious Education Co-ordinator (Mission) next year. Tony’s most recent appointment was as Deputy Principal of Guilford Young College.

- Ms. Genevieve Tyrell will take up her position as Religious Education Co-ordinator (Curriculum) in 2011. Genevieve joins us from Padua College in Victoria where she was Religious Education Co-ordinator.

- This time of year is also when we farewell staff. Ms Nicole Millikan leaves us at the end of 2010 having taught Physical Education, Religious Education and SOSE during 2010 as a replacement staff member. Mr. Peter Ottavi who also joined us as a replacement teacher of English and SOSE this year will be taking up replacement positions in the secondary school in 2011. Mr. Romeo Fabrizio will be undertaking a replacement position in the primary school at New Town. Mr. Fabrizio joins us from Sacred Heart School, Geeveston.

- We are continuing to have a major focus on teaching and learning and building on a culture of outstanding pastoral care in the College.

- Mrs. Genevieve Tyrell will take up her position as Religious Education Co-ordinator (Curriculum) in 2011. Genevieve joins us from Padua College in Victoria where she was Religious Education Co-ordinator.

- This time of year is also when we farewell staff. Ms Nicole Millikan leaves us at the end of 2010 having taught Physical Education, Religious Education and SOSE during 2010 as a replacement staff member. Mr. Peter Ottavi who also joined us as a replacement teacher of English and SOSE this year will be finishing his appointment at the end of 2010. I take this opportunity to thank Nicole and Peter for all their work and to offer them every best wish for the future.

- We are continuing to have a major focus on teaching and learning and building on a culture of outstanding pastoral care in the College.

- We farewell also Mrs. Jill Holloway who has been working at Sacred Heart as replacement Librarian and Mrs. Donna Green who has taught primary Music over the past year replacing Mrs. Pam Monk. Sincere thanks to Jill and Donna for all their work. We also farewell and thank Ms. Stephanie King who has worked as part time replacement teacher of Prep, also at Lenah Valley.
BLE MUSIC DEVICES POLICIES

From the start of 2011, all secondary students will be issued with a combination lock provided by the College. A deposit of $59 will be added to school fees which will be refunded on return of the lock at the end of Grade 10. This will greatly improve security for students and allow students to keep items of value secure while at school.

STUDENT ACHIEVEMENT

Daniel Watkins (Grade 9) - Slalom Championships.
Over the past two weekends Daniel Watkins has competed in Victoria at the National Training Camp for slalom kayaking and the Victorian Slalom Championships. Daniel came second in the under 16 competition at the National Camp and came first in the Victorian Champs. He is now ranked as the number one 15 year old slalom kayaker in Australia. Next year Daniel hopes to qualify for the Junior World Championships in America. Well done Daniel.

Congratulations to Hannah Steele (Grade 7) who did very well in the Tasmanian Regional Swimming Finals winning 2 Gold, 3 Silver and 2 Bronze medals.

COLLEGE ANNUAL

The College Annual is now being printed. This year’s production has again been a massive task and we are indebted to Mrs. Jo Fitzpatrick for her work over the past months in bringing it together. The quality of the production is outstanding and I’m sure you will agree that it is a great window into Sacred Heart.

OPENING 2011

The dates for the commencement of 2011 are as follows: The College Office closes on Tuesday 21 December and reopens on the Monday 17th of January 2011. The first day for staff is the 31st of January. Kindergarten commencement is staggered (as per correspondence sent out) Prep and Year 7 Orientation day is Thursday the 3rd of February. The first day for classes in Years 1 to 6 and Years 8 – 10 is Friday the 4th of February.

THANKS

I would like to pass on the thanks of the College community to our staff because it is so often expressed to me, particularly at this time of year. The work of our staff - teachers, office staff and ancillary - is central to our Mission. They are not just engaged in the classroom, office or grounds. Their day to day work is apparent for everyone to see. But it is often in the unheralded areas that our people do their most important work – in the pastoral care of students, in taking an interest in their spiritual and emotional welfare, in camps, in sporting teams and in other extra-curricular activities or in doing the work that supports all those things. Our staff and parents are involved in all aspects of the school’s operation, they serve on committees, are involved in professional development in their own learning areas as well as a wide range of others. As we close the year, I thank all staff members of the College for their work and for making Sacred Heart College the excellent school it is.

Mr. Marcus Donnelly has been with us since 2004 as Deputy Principal and as a teacher of Japanese at both Lenah Valley and New Town campuses, roles he has filled with energy and enthusiasm. Marcus has, throughout his time at Sacred Heart, shown great commitment to the Mission of the College and will be greatly missed by everyone. His many contributions out of hours, his dedicated work with parents and his many other talents and interests in Music and languages which he has shared so generously with students and staff have been particularly appreciated. On behalf of the College community I extend to Marcus our sincere thanks and best wishes for success in his new role as Principal of St. John’s School in Richmond in 2011.

LAP TOP PROGRAM (YEARS 9 & 10)

Following up on our successful trial of Lap Tops for students in 9 White, we are proceeding with our planned rollout of Lap Top computers for all students in Years 9 & 10. The issue will take place class by class in the first weeks of 2011 and we will have parent meetings for all classes to explain the educational plan, policies, security, instructions for use and most important how parents can join us in partnership to take full advantage of this major educational change.

MOBILE PHONE & PORTABLE MUSIC DEVICES POLICIES 2011

From the start of 2011, we will have a common policy on mobile phones and ipods across the College during the school day. All mobile phones and portable music players must be secured in lockers or lodged with class teachers (or at the College Office) during the school day – that is between the first and the final bells for the day. Mobile phones or ipods must not be taken to class or used during recess or lunch. The vast majority of schools apply this policy for the same reasons – reducing distraction during class reducing the risk of theft, reducing the pressure on students to reply to texts during the day, reducing cyber-bullying and other inappropriate use during school time and promoting physical activity and social interaction during the school day.

We thank and farewell Mrs. Fran Nogajski at the end of this year. Fran joined the staff as Primary Teacher-Librarian in 1999 and her many contributions to the growth, learning and development of thousands of children over 11 years is deeply appreciated by a grateful College community and, I’ve no doubt, by those students themselves. Fran has left a lasting impression through her dedication and commitment in the classroom and in extra-curricular areas. Fran’s work as Librarian, along with her many other skills and contributions have been of great value to her students over the years. On behalf of a grateful community, I thank Fran for her wonderful contribution to Sacred Heart and offer her every best wish for her future endeavours.

Sadly Jane Kilpatrick is leaving us at the end of 2010 to make an international move. Jane has had the role of Educational Psychologist working mostly in the Primary school over the past two years and her work has been deeply valued by parents, staff and students. Jane is leaving for greener (and hotter and wetter) pastures in Malaysia in 2011 and will be greatly missed.

From the start of 2011, we will have a common policy on mobile phones and ipods across the College during the school day. All mobile phones and portable music players must be secured in lockers or lodged with class teachers (or at the College Office) during the school day – that is between the first and the final bells for the day. Please have a very merry and safe Christmas and I look forward to working with you again in 2011.

Mr. Craig Deayton
Principal

THANK YOU
Reflecting on this year it is clear to me that the staff of Sacred Heart College have tried very hard to provide an environment of learning, care and faith for our students. I would like to add my thanks to Mr. Deayton's for the generosity and commitment of our staff. Many staff routinely give many hours above and beyond the call of duty in service to the College community, each week. Best wishes to all families connected to Sacred Heart for Christmas and the school holidays.

SECONDARY NEWS

MISSIONS!!!! TAPS!
It is very pleasing to report on the effort shown by the Secondary Campus for Missions this year. In September we were able to send with Mr Pollard a cheque to support the work that is being done in East Timor for the disadvantaged. During his visit Mr Pollard was able to see first hand how much need there is for help in this region – being supported by The Josephite Mission there as well as other charities such as the Edmund Rice Organisation. He saw especially, a need for clean drinking water to prevent disease.

During Term 3 the Secondary classes had a special drive to raise money to go towards a tap for a village in East Timor. It was amazing to see how much the students took this issue to heart and how enthusiastically they dug into their pockets to raise as much as possible. It is very pleasing to report that we have more than $1500 to donate over the Christmas break towards this goal (final number will be calculated after this newsletter goes to print).

Thanks must go to all of the community of Sacred Heart who have supported their sons and daughters in this deserving project.

GRADE 10 - VET HOSPITALITY NEWS
The first year of VET Hospitality at Sacred Heart College has drawn to a close. On the 2nd of December at the leavers’ assembly, all VET Hospitality students were presented with their professional portfolios. These portfolios contain a photographic record of the dishes that each student produced during their learning year, a copy of their VET Enrolment form, copies of their Hospitality workplace diaries and the employers’ feedback (if received) along with all their submitted evaluation sheets noting their accomplishment in workplace hygiene, presentation of food and clean and maintain standards. These portfolios are an essential part of each student’s learning as they are proof of that student’s achievement and will be required should they go on with further hospitality training or apply for a position in the hospitality industry.

During the year students who consistently achieved high standards on a bimonthly basis were allowed to wear a RED chef’s hat in the kitchen. The culmination of these achievements were also celebrated at the leaver’s assembly with the awarding of the “RED HAT Awards”. The winners for 2010 are:

RED HAT Award for VET Hospitality
Georgee Bresnehan

RED HAT Award for Food Studies
Diana Kwong.

Best Work Ethics – VET Hospitality
Joshua Andrews

Best Work Ethics – Food Studies
Cassandra Bolonja.

This has been a year of challenges on many levels for students but we are very proud of all that the Grade 10 VET Hospitality/ Food Studies students have achieved and wish them well in their future studies.

GRADE 9 FOOD STUDIES NEWS
Grade 9’s have completed their decorated Christmas cakes and all students should have taken these home by now and we wish them joy in eating all their hard work.

GRADE 9/10 CHILD STUDIES NEWS
As the year draws to a close our praise go to those Child Studies students who developed, made and printed their children’s story/picture books. Those who completed this task went on to read their stories and picture books to students in the Primary school (Our thanks to those Primary school teachers who welcomed us into their classrooms). The Primary School were so pleased with the books that they have asked for a copy to be kept permanently in the school.
So our CONGRATULATIONS to all those who achieved such wonderful recognition of their efforts and I am sure into the future many children will enjoy their creativity and fine story telling abilities.

Grade 10 students also have completed their assignments and for those who are going on to extended study in Child Studies, the learning they have undertaken this year will stand them in good stead for their future learning.

LOST PROPERTY

Last chance for lost property - Primary. There are some uniform bits and pieces and lovely little sandwich boxes which have been in lost property for some time – if they are yours, please collect. All items not claimed by the end of the Term will be recycled early next year. Thank you.

EARLY CHILDHOOD FUN ATHLETICS DAY

On Friday 26th November, the classes from Prep to Grade Two from both campuses participated in a fun athletics day. We were totally blessed by the weather on the day and by the smiles on their faces it was evident that every student had a wonderful time. Three activities were organised including the 50 meter sprint/novelty races, hurdles and shuttle relay races. Each child participated in terrific spirit and there was a tremendous amount of sportsmanship on display.

Many thanks to all the families and friends who came along and to the Early Childhood teachers who did a great job at assisting with the organisation.

TASMANIAN SCHOOLS TRIATHLON

On 25 November Sacred Heart entered three Grade 5 teams and two Grade 6 teams. It was held at Bellerive Beach. There was a bike, a swim and a run. There were individual events and team relay events. It was for Grades 3, 4, 5 and 6. All Sacred Heart teams did really well with great placings. Everyone really enjoyed the day.

LAWN BOWLS CHALLENGE

On 26 November Active After Schools Community held a lawn bowls challenge for Grades 4 to 6. When we arrived, lots of kids couldn’t wait to try this sport. It was held for fundraising for Diabetes Tasmania. We had a total of four games and the two highest scores went into the grand final. Mark, Jairus, Jimmy and Ben won the grand final and all teams had fun.

STUDENT LEADERS 2011

Junior Captains: Harry Davies Keeley Ortmann
Xavier: Jimmy Bower Jessica Smith
Delaney: Mark Ortmann Matilda Rowe
Quinlan: Jairus Lesek Alex Vinen
Julian: Jack White Paolo Facchin

On behalf of the staff and students at Sacred Heart College, New Town Primary Campus, I would like to take this opportunity to thank you for your generous support throughout the year. Thank you to all of those parents who have helped in class-rooms, on excursions, on fund raising committees, at camps and on the sporting the sporting field. Thank you also to our dedicated and committed staff. We are blessed at Sacred Heart College to have a wonderful staff that go above and beyond the call of duty in their efforts to assist our students.

I would also like to congratulate our students on their achievements throughout the year, be it in the classroom, on the sporting field, or in their musical endeavours. I would also like to commend all of our students in their efforts to live out Josephite Values in their daily lives.

Finally I would like to thank you personally for your friendship and encouragement during my time at Sacred Heart College. It has been an honour and a privilege to serve in a position of leadership at this great school these past six years. I wish you well for the future and may you and your families have a happy and holy Christmas.

Deputy Principal – Primary, Lenah Valley
MOVE WELL EAT WELL AWARD
Sacred Heart College New Town campus has been recognised for making healthy eating and physical activity a priority. The campus has received a Move Well Eat Well Award.

Creating healthy habits for life is the basis of the Move Well Eat Well program and this campus is one of over 140 primary schools across Tasmania participating.

This program is a simple guide on how to provide a healthier environment for children by promoting 6 healthy messages:- tap into water every day, plant fruit and veg in your lunchbox, limit ‘occasional’ foods, move, play and go, turn off, switch to play and stride and ride. This Award is ongoing and the campus will be constantly monitoring progress. Well done to our College community for supporting this important initiative.

FINAL PRIMARY HOUSE POINTS

Congratulations to Delaney winning all three carnivals on a massive 1551 pts. Congratulations to the Delaney house captains, Ashley Sutton, Lucy Hayden and Matthew Pace. The recipient of the Sr Barbara Duggan Award for the fairest team was for the winter of 2010, the Under 7 White Soccer team coached by Mr Scott Hartill.

The team consisted of Claire Heathorn, Eleanor Cooney, Lucas Dzelalija, Harrison Triffet, Tyson Hartill, Sam Berezanski, and Finleh Crespan.

The Award for the fairest team for the Summer of 2010 was awarded to the Girls Grade 6 basketball championships team coached by Mr Steve Moore and assistant coach Mrs Fiona Moore. The following girls made up the team: Hollie Moore, Innocent Gildo, Marlin Letiko, Maddie Stevens, Lauren Norton, Ria Nabatar, Daisey Barrett-Slade, Lucy Burrows, Alex Vinen and Claire Lapham.

Congratulations to these two teams who encompassed the values of Sacred Heart College; displaying outstanding sportsmanship, and best qualities of fairplay.

Thank you to all our coaches and in particular Mr Paul Guinan for his outstanding contribution to sport in this College.

PARENTS’ AUXILIARY
The Lenah Valley campus Parent’s Auxiliary would like to thank all those families who have been kind enough to support us and participate in our functions and activities this year. When we work together we are able to make a significant difference to the opportunities our children are able to access.

With the money we have raised this year we have purchased good quality digital cameras for each class at our campus, we have replaced the lighting in the hall to make it a safe area for the students to have their PE classes when the weather is inclement and we have provided 2 data projectors for the campus. The money raised through the bulb fundraiser, which was kindly organised by Mrs Vanessa Gill, was used to assist in the establishment of our campus vegetable garden. Sincere thanks go to all the generous ladies who assisted in the canteen on Fridays, we could not run this without you. Many thanks also to Tara Devine and Jane Clarke for taking over the canteen theme days. Thank you also to the dedicated and hardworking staff of the Lenah Valley campus for their support of our functions. We wish Mr Rob Direen all the very best for his undertakings in the future and offer him our sincere thanks for his valued input to our children’s education and wellbeing.

Finally we would like to wish all the students, staff and families of the Lenah Valley campus a very safe and happy Christmas and a restful holiday.

Ms Christine Russell
President
Parent’s Auxiliary, Lenah Valley Campus

CHESS
On the 28th to the 30th of November our primary chess team competed in Melbourne in the National Chess Finals. Our team consisted of: Oscar Brown, Zac Lanci, Tyler Gerbing, Nathan Hill and Hazeq Dzulhisham. Matthew Barnes also participated as a reserve player and was able to compete on an individual basis.

All boys played some outstanding games of chess. Matthew Barnes and Oscar Brown scored 5 ½ and 5 games respectively out of a possible total of 7. Tyler Gerbing scored 3 games and our other team members scored 2. This placed our team 18th at a national level which is a great result as the competition at this level is extremely high. Matthew Barnes was placed 8th in the individual results for primary boys, which was a fantastic result. All of the team had a great time in Melbourne and represented Sacred Heart College very well. Congratulations to all of the boys!

Our thanks, as well, to Mr Tom Krasnicki for all his hard work in coaching our team to enable them to participate at this very high level. We couldn’t do it without him!

Ms Louise Davidson,
Chess Co-ordinator

CHALK TALK GRADE 4 BLUE.
Last Wednesday, Grade 4 Blue went on a Science field trip to the Waterworks Reserve, to investigate the ecosystems that can be found there. We walked through the dry forest areas first and collected as many specimens as we could, which we later classified into various species. Then we went on an invertebrate hunt and found spiders and beetles and all sorts of insect life. After a walk through the rainforest ecosystem and our picnic lunch, we were able to measure the height of trees by a triangulation method. We estimated where the tree would fall and stood there, measured a 45 degree angle to the top of the tree from around that point and then measured to the base of the tree with a string. Our tree measured approx 30 metres tall. It was a great day out.
STAYING SAFE ONLINE OVER SUMMER
As the school year draws to a close and holidays begin, children and young people’s online technology use including games, chat sites and social networking increases as their leisure time does. Along with this, the risk of negative experiences online also increases.

To help your children and students stay safe and have more enjoyable online experiences over summer, share the following tips:

Limit your time on the internet. Remember to catch up with friends offline and make the most of the summer by keeping a balance of time spent online and time pursuing other activities. When you are online, it’s very easy for the hours to slip away and you can miss out on other things.

Social networking tools are fun to use and can make it easier to organise catching up with friends. However, remember to review the privacy settings of your favourite sites, or your private party could end up being promoted to and attended by people you don’t know or just don’t want to invite.

Photos from your holiday activities are easy to share using online tools. Remember to respect your friends though—that ‘funny’ photo of them at a party or on the beach might not be so funny for them, and they might not be very happy if you post it up for everyone in the world to see. Treat others as you would like to be treated.
