MINUTES OF SACRED HEART COLLEGE PARENTS AND FRIENDS HELD MONDAY 21ST
FEBRUARY 2011

1. Prayer – led by Craig Deayton

2. Attendance:  Susan McLeod, Jackie Fleischmann, John O’Keeffe, Pauline Howatson, Jacqui Lawless, Michael Hangan, Frances Harris, Christine Russell, Chery Sutton, Sharyn White, Craig Deayton, Jo Fitzpatrick, Jane Capp, Michelle Williams and Melissa Brown

3. Apologies:  Sue Walker, Della Stevens, Helen Wilkinson and Sarah Male

4. Confirmation of minutes from previous meeting
   Moved:  Jane Capp
   Seconded: Frances Harris

5. Correspondence:  Hobart City Council forwarded a letter re Safe Walking to School which Jane Capp will follow up with some parents. Various fundraising ideas were also put forward.

6. Election of new office bearers for 2011
   President:  Jane Capp (seconded all present)
   Vice President:  Frances Harris (seconded Jane Capp)
   Secretary:  Jackie Fleischmann (seconded Michael Hangan)
   Treasurer:  Michael Hangan (seconded Jo Fitzpatrick)

Jo Fitzpatrick gave special mention and thanks to Della Stevens for the outstanding job as secretary she has done over the past 3 years.

7. Reports:  Craig Deayton presented the Principal’s Report (attached) and also made mention of the new Religious Education Coordinators – Tony Brennan and Genevieve Tyrell while Jane Davies is the Primary REC for both New Town and Lenah Valley.

Craig advised that documents of the strategic plan of the College were available on the website with policy development to come. Documents regarding the Archbishops Charter and Mission Renewal by the staff at Sacred Heart College will also become available. There is also a rejuvenation of the House system within the College with an outreach focus – St Vincent de Paul, L’Arche Australia, Jospehite Missions and Caritas. The College will be adopting a vertical pastoral care house system with multi-age groupings across the secondary campus. Craig would like to set up a parent committee to look into the workings of this sort of system. Sacred Heart College will be refining the literacy programs with detailed results to be tabled at the next meeting. There is a VET information evening to be held on Thursday 24th
February. Craig also advised that our Grade 10 numbers moving through to GYC were excellent. The IT structure will be carried through to Lenah Valley as well but building works will need to be completed. At this stage the secondary building works should be completed at the end of Term 1, Lenah Valley building works to be completed approximately early Term 2 and the New Town primary building works will commence in Term 2. Netbooks will be allocated in mid-March to Year 9 and 10 students and hopefully in the future these will be allocated to Year 7 and 8 also this way the unit cost should reduce significantly.

Sue Walker – Deputy Principal Primary New Town had forwarded her report prior to the meeting tonight and is available for viewing on the website.

Jacqui Lawless – Deputy Principal Primary Lenah Valley

Frances Harris presented a report on behalf of the New Town Parents Auxiliary.

Christine Russell presented a report on behalf of the Lenah Valley Parents Auxiliary and advised that the AGM will be held on Monday 28th February. There is to be a cup-cake fundraiser to raise funds for the Relay for Life. Sacred Heart has entered a team and donations can be made through the Relay for Life website.

The Treasurers report was presented by Michael Hangan and is available on the website.

The fundraising report was presented by Jo Fitzpatrick and is available on the website.

8. Agenda Items: Questions were asked whether primary students could change into sandshoes through the school day and then put school shoes back on before leaving the College – at this stage students are able to do this. Sue Walker is to put something in the newsletter regarding this issue.

It has been proposed that the changeover of uniform (summer to winter and vice versa) may coincide with the beginning and end of daylight saving. This will be looked into. Jane Capp will continue the wonderful work that Sarah Male had begun last year with the implementation of the “Q &A’s” on the website and any questions should be forwarded direct to Jane Capp or Jo Fitzpatrick.

The Grade 9’s will again be travelling to Canberra with most Grade 8 parents supporting the venture.

Purple Day will be held on Friday 25th March to help raise funds for the awareness of epilepsy.
There are NO student free days for 2011.

Next Meeting to be held on Wednesday, 16th March where reporting and goal setting will be discussed prior to reports coming out. The April P & F Meeting will discuss the literacy results across the College.

Meeting closed at 8.30pm
Principal’s Report to the Parents and Friends AGM
Sacred Heart College

February 21, 2011

General
2010 was a very busy and a very important year. We have had a number of major teaching and learning initiatives commence, unprecedented capital investment, a number of important timetable and curriculum changes, major capital works underway and several more due for commencement shortly, changes in policy and the first full year following a major reform of the leadership structure.

The Archbishop’s Colloquium in April of last year was the stimulus for our process of Mission Renewal which we commenced in October of 2010. The new College Strategic Plan has been published. Changes to the Primary timetable with adjusted break times have been trialled this year and proved very successful. The whole school literacy program has completed its first full year and we have completed assessment, the Primary Enrichment Groups (PEGS) program is also operating well and changes to Numeracy education in both Primary and Secondary is addressing areas of need identified in our NAPLAN results. The timetable for the implementation of the National Curriculum is also on track.

Archbishop’s Charter
The response to the Archbishop’s Charter has been finalised and will be presented at our Commencement Event on March 11. The Charter and our response are key documents in informing our school planning.

Mission Renewal
On the 22nd of October last year, the staff of the College gathered to work together on the major project of Mission Renewal. The day was led by Sr. Sue McGuinness, Mr. Eamonn Pollard and I. The major objective was to renew and recommit to the College Mission Statement with particular emphasis in this year of canonisation.

This process grew out of our discussions as a Leadership Team at the Archbishop’s Colloquium in April of this year and involved a review of both our Mission Statement and an analysis of our performance in carrying out that Mission. The responses from the day are included as Appendix 2.

Religious Education Co-ordinators 2011
Next year we welcome Mr Tony Brennan and Mrs Genevieve Tyrell to the staff of Sacred Heart College as Religious Education Co-ordinators for Mission and
Curriculum respectively. Tony was most recently Deputy Principal at Guilford Young College and Genevieve was previously REC at Padua College in Victoria. This represents a change to the structure of RE leadership with the role separated into these two key pillars of Religious Education.

Student Leadership Proposal and the House System
Another initiative for 2011 is the renewal of the House System at the College through a change to the student leadership structure and a change to the focus of student leadership, putting the emphasis firmly on outreach as the major priority.

One of the messages from the Mission Renewal Day was that opportunities for outreach were highly valued by students as a way to live out the Mission of Sacred Heart in a very direct and distinctive way. In 2011 we will change the portfolio structure of the Student Leader system and also use the House System in the voting procedure to support four distinct and already existing avenues for outreach. There would be 16 student leaders, four from each House elected by the students in Years 7, 8 & 9 from the House in a manner similar to that existing at present (application, speech etc.) Each House would have a separate outreach focus and I suggest the four listed below:

- St. Vincent de Paul
- Caritas
- Josephite Missions
- L’Arche Australia

Each House group of leaders would take on one of the above as their outreach focus. They would also have other shared responsibilities – running assemblies, Captains for House sports etc. Each group of leaders would be responsible for leading their House in their outreach focus and educating the College student body about their outreach organisation. Each group of student leaders will have both a staff support liaison as well as a liaison person from the organisation. Each group would be involved with their House in planning their outreach activities for the year. The Secondary School leadership structure and outreach focus would be mirrored in the student leadership structure in the Primary School. The students would elect College Captains at their Leadership camp at the start of the year (using the same discernment process as this year).

National Curriculum
Work is progressing on the implementation of the Australian Curriculum which is due to be fully adopted by 2013. All teachers are working in teams on developing the new curriculum for Sacred Heart and it will trialled in key areas in 2011. Scope and
sequence documents for all learning areas will be completed by the end of 2012. The new curriculum will also be

**Literacy Program**
Assessment for the literacy program for the 2010 year using the TORC 3 (Test Of Reading Comprehension) took place on November 6th. Results should be available during the first week of December.

The Literacy will meet to review the year’s results and program and plan for 2011. The addition of writing programs and more differentiation for the Gifted and Talented streams were the major proposed changes for next year.

The major goals now are to embed the program, train the new teachers and for the students to have every student reading at their Grade level by the end of Year 10.

**NAPLAN Results**
Student performances in Years 3, 5 & 7 on the recent NAPLAN tests were very encouraging and represent an improvement on our 2009 results in most areas.

**Performing and Visual Arts Initiatives 2010**
This year we had a major focus on Performing and Visual Arts. There were a number of major events for Music, Art Exhibitions and Drama productions. The Year 10 production, *Between These Lines* was very successful, with all shows well attended. With this our first major off-site production the work input was considerable and Ms. Emily Wilkins did a great job in preparing the students 2010 proved to be a very successful year for students studying in Performing and Visual Arts.

**VET**
2011 will be the first full year of the VET program in Construction, Hospitality and Engineering. The Trade Training Centre construction will be completed in December, ready for a full start next year. All staff are currently undergoing training in assessment and updating their qualifications to teach VET. Our VET numbers for 2011 are Hospitality (19), Construction (13) and Engineering (9).

**GYC Transition**
At present we have 92 students from our current Grade 10 cohort (119) who will be attending Guilford Young College in 2011 which is 77% of our students.

**Staffing**
We have a number of staff who will be taking various forms of leave during 2011. Mr Tom Burke and Mrs Bernadette Burke will be taking long service leave for Term 1 of
2011. Ms. Stephanie King will be continuing her teaching in the UK and taking leave without pay for 2011.

We also have a number of new staff members joining the staff of the College in 2010 as either ongoing or replacement employees.

Mr. Tony Brennan (see above Religious Education Co-ordinators)

Mrs Genevieve Tyrell (see above Religious Education Co-ordinators)

Ms. Veronique Boyd continues with us for 2011 teaching secondary Religious Education and SOSE. Veronique has had responsibility in 2010 for RE Curriculum.

Mr. Romeo Fabrizio joins us in 2011 as replacement for Mr. Tony Deayton who will move into the Intensive English Language Centre. Romeo was most recently employed at Sacred Heart School, G eeves t on.

Mrs. Rhonda McInnes
Rhonda rejoins us in 2011 teaching Home Economics replacing Mrs. Robyn Waiss. Rhonda will enter her second year of teaching at Sacred Heart College in 2011.

Mrs. Donna O’Neill
Donna rejoins us in 2011 teaching Religious Education, History, English and Media Studies and is replacing Mrs. Christine Cornelius. Donna’s most recent appointment was at the Tasmanian Polytechnic but prior to that was employed at Guilford Young College where she taught Religion and Philosophy. Donna will also take on the role of Pathways and VET Co-ordinator again in 2011.

Mr. Matt Conolan (Part-time Outdoor Education) was employed previously at Sacred Heart College on relief. Matt will join us in 2011 teaching Outdoor Education and taking on the Outdoor Education administration.

Teaching & Learning
I have included the summary of the meeting of the Leadership Team meeting on the 19th of March, 2009 about the general future direction for Teaching & Learning in the College. In included this list in last year’s report and I will give a verbal update on our progress against these general goals.

- an emphasis on thorough preparation of our Year 10 students for Year 11
- high expectations for students across the board in teaching and learning
- high expectations for students in areas which support the teaching environment such as behaviour, punctuality, presentation of work, uniform, courtesy etc.
- a detailed review of capital and recurrent expenditure to ensure that College finances are targetted to the best effect in meeting the College’s key educational goals
- a focus on maximising time in class for both teachers and students and avoiding interruptions to the teaching program
- a review of the current leadership structure
- the development of a school strategic plan, particularly an educational plan
- a review and evaluation of all current teaching programs
- a learning support program for students who are not currently in the Students with Disabilities category but who require extra support
- provision for gifted and talented students
- college-wide literacy testing, analysis of results and action to address literacy needs

**Capital Projects Summary**

New Music facilities and Administration at Lenah Valley (National Pride project): *Completed*

Infant playground at New Town (National Pride project): *Completed*

Secondary Drama and General Purpose Classroom construction: *Completed*

Stages 1 & 2 of the Catering Suite (under the Trade Training scheme: *Completed*

BER project 2 (Multi-Purpose facility and Classrooms/Library at Lenah Valley): *Underway*

BER project 1 (Multi-Purpose facility/Library at New Town): *Not yet commenced*

The New Town BER project has been re-phased for 2011. We are currently finalising planning for this project as its design both influences, and is influenced by, current capital projects underway in the secondary school and the information technology strategic plan

Major refurbishment of the Julian building (MDT) as part of the Trade Training facility is due for completion in September this year: *Completed*

Construction of new secondary Science rooms: *Underway*

Intensive English Language centre: *Underway*
Information Technology Strategic Plan – Progress
This year we will meet the Governments benchmark of a 1:1 ratio of computers for students in Years 9 & 10. The College has purchased Netbook computers for all students in Years 9 & 10. These are scaled down laptop computers with a 10-12 inch screen, wireless capability and basic software suite. These will be issued to students who are responsible for storage, security, charging and, to some extent, maintenance. Each student will pay a redeemable bond (of $100-200) upon receipt of their computer and each machine is insured (to some extent). Lifespan is two years and the computer is available for purchase by student at the end of their two years use at a moderate cost.

Primary classes will be provided with Laptop banks in each class contained in a shared space between classes. Desktop pods available in each classroom or adjunct space will supplement laptops.

All classrooms grade 4 and above will have data projector and screens installed.

The Secondary school will retain two class-ready labs of at least thirty desktops plus two hubs of 15-20 desktops each. This will be one lab less than the current component.

DVC internal audio-visual system will be made available in all classrooms via data projectors. Electro-boards for messaging system will be provided for common movement areas.

Decision about retaining current laptops for Year 7 to be reviewed

Laptop rollout for all teaching staff (above .5fte) has been completed.

Mr. Craig Deayton
Principal
Sacred Heart Lenah Valley

Building Program and Parking
The building of a new amenities block and new classrooms is well underway, it is hoped these facilities will be competed in Term 2. However, the parking is still greatly affected around the Lenah Valley Campus. We are asking for your continued patience and understanding with this, as we continue to upgrade the facilities.

Value and Virtues
Each week we will focus on a particular value that students need to become more aware of. Students are encouraged to focus on the value when interacting with others. Students will receive encouragement and at times, reward for demonstrating positive behaviour.

Staffing
We would also like to welcome new staff members to Lenah Valley; Miss Emma Clarke (Prep), Mrs Cathy Joyce (Grade 3: Tuesday, Wednesday and Thursday) and Mrs Fiona Oliver (Grade 6: Wednesday).

50th Anniversary
In 1961 Immaculate Heart of Mary School was established in the Lenah Valley Parish. In 2005, Immaculate Heart of Mary was placed under the governance of Sacred Heart College.
This year 2011, we are celebrating the 50th anniversary of our school. These celebrations will take place in Term 3 and will include the opening our new buildings and renovation facilities.

We have begun the process of reclaiming and rejoicing in our history and heritage. Many photographs and memorabilia have already been found. We are looking forward to displaying these treasures in the coming months.

Community Prayer
Prayer is a very important part of our day here at Sacred Heart College, Lenah Valley. We understand as a community just how important it is to pray together. We also understand just how powerful prayer can be for those who need our prayers, and that it is an important part of giving thanks for all of the wonderful things in our lives.
The Staff at the Immaculate Campus have gathered for Prayer on Friday mornings for a few years now. This is a very special time for us, one that we have found very positive and uplifting. We would like to extend an invitation to all of the members of our school community to join us for what will now be called Community Prayer. It will still be held at 8:20am on Friday mornings and we will use the Music Room for our prayer space. Staff will lead the prayer and would love for you to join us!

Campus Assembly
Assembly at the Lenah Valley Campus are on Tuesdays at 2.00pm in the hall. Parents and families are more than welcome to join us in this celebration of learning. The assembly begins with prayer that is lead by a year group. Classes are then able to share items and activities.
Parents and Friends AGM Report

New Town Primary Campus – Feb 21st 2011

General Overview:

The 2011 academic school year has begun with great enthusiasm and positivity from both students and staff. Prior to school returning, the leadership team attended professional development facilitated by Joseph Driessen, an educational expert in creating positive and engaging learning environments, and our primary campus has made a full effort to begin adopting these philosophies into the life and structure of the school day. To all accounts, the preliminary results of these efforts have been most positive.

Enrolments:

At present the New Town Campus has a near to capacity number of students enrolled, with a waiting list in some classes. Our Kinder classes are at full capacity, with extra teacher aides being employed to adequately provide adult supervision.

Welcomes and changing of roles:

We have welcomed new staff to the New Town campus and have seen a number of staff changing their roles. Mr Romeo Fabrizio is teaching in Grade 6 Red, Mrs Angela Revill in Grade 5 White and Mr Rob Dreen in Grade 3 Red. We have also welcomed Mrs Vicki Morris to a more permanent role as a specialist Art teacher for Grades P-4. Mrs Sue Burrows has been appointed as Assistant Deputy Principal, and Miss Nicole DeGouveia and Mrs Kelly Warburton are our ICT co-ordinators for 2011. Mrs Jane Davies is now REC for both New Town and Lenah Valley Campus and we welcome Mrs Therese Kelly, Mrs Kate Jackson and Mrs Bridget Pitfield to various teaching roles at New Town.

Curriculum:

We have in effect, 3 curriculums operating within the primary campus as outlined below.

- **Faith Formation and Values Education:** In addition to our permanently active Religious Education Curriculum, we have initiated a Values and Virtues Program throughout the school, whereby one value/virtue is brought into focus each week for discussion and
learning. These values are accompanied by a Scripture Reading, reflection piece and activities for students to complete. The students have been told that once they have learnt about the value, and begin living out its meaning, this in turn becomes a virtue that they hold.

- **Social/Emotional and Behaviour Management:** Following on from the work begun in two years previous, we are continuing to implement this curriculum through social and emotional skills learning activities and our Behaviour Management Policy/C.A.R.E. Code of Conduct. One initiative undertaken this year will be a “Better Buddies” program where students are vertically streamed into small learning groups and lead in activities by our Grade 6 students. These groupings are also based within our current House structure – thus fostering House spirit and answering the call for more senior students to become “Learning Heroes” (Joseph Driessen). Activities are timetabled to take place on a fortnightly basis and will revolve around relationship building and positive decision making skills.

- **Academic Curriculum:** We have begun in earnest curriculum mapping and planning with the Australian Curriculum. All primary teaching teams have had a planning day to begin using the new curriculum format and to begin building a Scope and Sequence as part of K-10 Sacred Heart College Curriculum Documents. The positive reports received back from teachers in regard to these sessions have highlighted an enthusiastic response to the challenge of presenting the new curriculum to our students.

**ICT:**

Thanks to the hard work of our ICT Manager, Mr Stuart Brinsmead and his team, we have made huge in-roads into the improvement of ICT facilities in all Primary classrooms. Kindergarten will be receiving shortly an Interactive Whiteboard and each primary room has now been fitted with a Plasma Screen and Elmo visualizers to assist in the delivery of an engaging curriculum. It has been very rewarding to note the enthusiasm of both student and teachers in using this technology in the teaching and learning program. Further developments are to come.

**BER improvements:**

The Kindergarten has undergone major restructuring and refurbishment as provided through the Building Education Revolution Funding. It is now able to accommodate two three day Kinders and is a wonderfully welcoming “gateway” to our school. The refurbishments are outstanding.

Further building works are planned, with the planning for a Multi-purpose/Resource building drawing into its final stages. This building will be situated outside the current Grade 3 and 4 Classroom block and will involve some refurbishment to these classrooms. Further funding resources will be committed to improving the Grade 2 Classroom area later in the year.

**Uniform:**

It has been truly pleasing to see the effort students and their families have taken in presenting themselves appropriately to school. Our uniform is being worn proudly and correctly. The new House t-shirts have been very positively received and we are waiting eagerly for the arrival of smaller
sizes now that our younger students have again been placed into houses. The new school shorts have also proven to be a popular design.

Carnivals, Jump Rope for Heart and Assemblies

The school cycle of carnivals will begin this week with Primary Swimming Carnival being held on Friday 25th February at the Glenorchy Pool. The Early Childhood Carnival will be held on Thursday 3rd March, also at Glenorchy Pool.

Sacred Heart College has been invited by The National Heart Foundation to this year create a “Jump Rope Demonstration Team.” Thanks must go to Mr Paul Crennan for his energetic pursuing of this opportunity and in acceptance of the Jump Rope Co-ordinator role. This team will consist of approximately 15 committed children and will train once a week to build a demonstration of skipping skills. Once proficient, they will then be invited to visit other schools, approximately 9 per year, to perform and promote the Jump Rope for Heart Fundraiser.

Our assemblies at New Town will continue to be held every second Thursday afternoon at 2pm in the SSJ. We are really trying to make these a celebration of the wonderful things happening at our school and would like to encourage as many parents as possible to attend.

A Vote of Thanks

Sacred Heart New Town Primary would like to offer a vote of thanks to the Parents Auxiliary for their on-going and valuable support in fundraising for the improvement of our school. Special mention must go to Mrs Frances Harris and her team of hard working parents who contribute on a weekly basis to raise money for the purchase of special items or requests from teachers. This support is greatly appreciated by all staff. Thank you.

Sue Walker

Deputy Principal – Primary NT
Parents Auxiliary New Town

At the end of the school year we distributed the money as per the wish list, and a final cheque was handed to the school. Our bank balance now stands at $00.00.

We will have our AGM next Friday 04 March in the Primary Music room at 2.30 pm. If there are not any nominations for President, the Auxiliary will close and the fundraising events co-ordinated by the group will be handed over to the members of the P & F as discussed at the meetings of last year.

I have enjoyed my role as President for the last 5-6 years, and it is unfortunate that it seems that the Auxiliary will fold, but I am confident that the events that we have organised and helped out with over the years can still be co-ordinated through the P & F and that the Primary School children will still enjoy the benefits of the various fundraising ventures that we have organised throughout the years.

Having said that, the Parents Auxiliary ladies have always helped out at the swimming carnival which is to be held on Friday, with co-ordinating the morning tea for the teachers and volunteers, if there is anyone available on Friday to help out with this please see me at the pool on Friday.

Frances Harris
President

FUNDRAISING REPORT FOR P & F AGM
21 FEBRUARY 2011

Last year saw a very productive year with the fundraising endeavours of Sacred Heart College with the Twilight Fair being held in March, Entertainment Books running through the first term, the Annual Quiz Night being held in August and our Christmas fundraising in third term.

With the funds allocation process we were able to give the College a cheque for $18,800 with the Parents Auxiliary from both New Town and Lenah Valley giving amounts of $9354.40 and $5,300 respectively.

This year we are looking forward to our Auction Night which will be held on Saturday, 21st May and again we expect this to be our major fundraising event for the year. Our first fundraising meeting will be held on Tuesday, 8th March in the secondary staff rooms at New Town. We will follow the same format as two years ago and get all our year groups to be responsible for an item/s at the Auction. All the finer details will be worked out at the meeting.

Running through first term will be the Entertainment Books which made approximately $2700 in 2010.

The Annual Quiz night will be held in August and this year we are organising a secondary student quiz night which will be held in late October. We will also look at running the Dad’s Day Out Golf Day at some stage throughout the year depending on parent help.

I would personally like to thank everyone involved with the fundraising at Sacred Heart College – parents, staff, students and most of all everyone who donates their time and efforts into the organising and running of all our events.
For the last few years I have been working closely with a small group of parents whose energy and enthusiasm never ceases to amaze me – THANK YOU TO EACH AND EVERY ONE OF YOU!

We look forward to another great year of fundraising at Sacred Heart College.
