Q. What are the rules about my child wearing sports uniform on days other than their normal sports day?
A. Children are permitted to wear their sports uniform if they have a school sporting commitment immediately after school (to avoid the need to change). Other school related activities such as excursions or carnivals may also require sports uniform but these events are advised in notes home. In any other circumstances a note from parents/carers is required.

Q. I have heard there is a plan to change the school blazer. What is the plan?
A. The College is changing to a single version of the school crest and working to ensure this is used consistently on all uniform and other means of identification for the College. The College blazers will now need a different crest embroidered on the pocket. This will be phased in. All new blazers will now have the traditional crest and parents will be able to purchase a new pocket for existing blazers.

Q. What are the plans to change the sports uniform?
A. House coloured tops will be available from January 2011. They will be optional for Grade 9 and 10 students. Students will be required to have a sport top and also a house coloured top. The coloured top will be worn for swimming, cross country and sports carnivals but may also be worn on sports days.

Q. When do the children change over to summer uniform?
A. There is a transition week (Show week) during which the children are permitted to wear either winter or summer uniform (but not a combination of the two). This year that is the week beginning Monday 18 October. The changeover to summer uniform is complete from Monday 25 October.

Q. I’ve heard the unfirm shop is moving. Is that true?
